

Washbasin bowl, rectangular, with tap bank, no overflow

The Lyra Plus series remains synonymous with harmonious shapes and classic lines. The Lyra Plus rectangular washbasin bowl in a modern geometric design was designed in line with current bathroom trends. We offer the washbasin bowl with a tap plate with an overflow and one tap hole for the faucet (batch 104) or without an overflow and without a hole tap for the faucet (batch 112). For a washbasin without an overflow, use only flow-through washbasin outlet in the appropriate color (must be ordered separately). An extended 10-year warranty is provided for all JIKA ceramic products. Availability 3Q 2024.
